We are proud to highlight some of our volunteers who have dedicated countless hours to our community. These individuals have contributed over 155 years of combined service assisting the residents of Smithtown.

FIRE SAFETY TIPS

DON'T FORGET ABOUT YOUR SMOKE DETECTORS

When the time comes to Spring Forward or Fall Back don't forget to change the batteries in all of your smoke detectors.

BEWARE OF CARBON MONOXIDE

Carbon Monoxide is an odorless, colorless and lethal gas. Protect your family with carbon monoxide detectors.

ADOPT A FIRE HYDRANT

Remember to keep your nearest hydrant clear of cars, snow & landscaping debris. This will allow firefighters to easily access it in times of emergency.

REMEMBER TO POST YOUR ADDRESS CLEARLY

Precious minutes can be lost when we can't locate the address of an emergency. Post your house number clearly on your mailbox or home.

WHO WE ARE...

Local residents, just like yourself, who have regular careers but leave their families and places of employment to answer emergencies in our community. Our members are made up of business owners, teachers, nurses and civil servants who sacrifice their time by leaving the dinner table, jumping out of bed or diverting from an errand to help a fellow neighbor through their toughest hour. We, most simply put, are neighbors helping neighbors.

COMMUNITY...

When our volunteers are not responding to alarms we are active in the Smithtown community. Each year, we participate in parades, host firehouse tours, assist in civic events and visit schools educating our kids in fire safety. It is that commitment to our community which shows the dedication of our members.

JUST LAST YEAR...

In 2018, our volunteers responded to a record 3,824 alarms. Maybe you saw us while we were responding to a car accident or crossed paths with us at the local restaurant resetting an alarm. Perhaps our ambulance was at a home in your neighborhood assisting the medical needs of a resident. Those are your volunteers. We are always there and are answering the call 24 hours a day 7 days a week. Take a look at 2018 by some of our response numbers:

2734	MEDICAL EMERGENCIES
196	MOTOR VEHICLE ACCIDENTS
445	SMOKE DETECTOR ALARMS
354	OVERNIGHT EMERGENCIES
80	ALARMS ON HOLIDAYS
91	REPORTED STRUCTURE FIRES
